

Forest Lake School Uniform Policy

The purpose of our dress code is to establish the basic structure for appropriate dress standards for students in Richland School District Two which will provide a safe and orderly learning environment.

After much discussion and research, and due to the overwhelming response from our Forest Lake community, the School Improvement Committee has adopted a school uniform dress policy. Wearing uniforms cultivates an atmosphere of teaching and learning, contributing to a quality learning environment for all students.

Forest Lake Uniforms are...

- Khaki or navy blue bottoms-pants, shorts, skorts, skirts, or jumpers. Shorts or skirts must be “walking length” below mid-thigh.
- Navy blue, red, yellow, or white tops. Tops must be solid in color, no writing, and should have a collar.
- Black or brown belts should be worn.
- Shoes should be worn with safety in mind. Students may not wear flip-flops, platform shoes, heelys skate shoes, or shoes with cleats.

It is important to wear your school uniforms EVERYDAY!

Research indicates there are several benefits to wearing school uniforms. Student benefits include enhanced self-image, improved academic indicator ratings and increased participation.
